Systems Analyst III - Portland, Oregon

Metro Regional Government

Oct 2019 - Apr 2020

- Enabled Client to comply with WCAG 2.0 and decreased liability risk by conducting UX and accessibility audits of version 1 of the Economic Value Atlas and the [Regional Barometer](#) Hub Application.
- Increased efficiency by designing and prototyping windows for version 2 of the [Economic Value Atlas](#) with Sketch for stakeholder approval before beginning to code.
- Consistently exceeded expectations of weekly deliverables and deployments, utilized Agile frameworks.
- Collaborated with Marketing to create accessibility standards for external facing applications and maps.
- Coached junior developers and analysts on coding best practices and GitHub flow.

UI Developer - Portland, Oregon

Dymaptic

Jun 2018 - Sep 2019

- Designed and built templates from multiple data sources in JSON for clients and myriad reports to showcase Dymaptic's template builder application to potential clients.
- Created wireframes, clickable prototypes, and layouts in Figma and Sketch for client approval.
- Customized maps for clients and internal applications through Esri tools.
- Contributed to production code through JavaScript, TypeScript, Python, and JSON.

Operations Manager - Remote

Far Out Solutions

Nov 2015 - Mar 2018

- Led weekly remote staff meetings and conducted 1-1s with staff, leading to increased retention.
- Enabled over 10 small businesses to have a web presence by designing and maintaining websites for clients through Squarespace, Weebly, and Wix.
- Created personalized branding for clients by designing logos and building out brand guidelines.
- Placed job ads, screened, hired, and on-boarded technical and non-technical team members.

Co-Owner & Operator, e-commerce - Remote, Atlanta, Nashville

Gunstreet Goods

Nov 2012 - Feb 2016

- Designed and built multiple iterations of our website through Squarespace and set-up additional e-commerce opportunities through eBay and other online outlets.
- Co-created a stylized, vintage brand of curated apparel and footwear.
